Welcome Big Game Hunters! Join us as we get to know one another while hunting for signs of Big Game. Don't worry, no animals get hurt, but we do need to gather the clues to unlock the treasure. Join one of our teams and be a part of the hunt! Lunch will be provided.

2. Friday “Knight” Veterans’ Service project plus Games and Crafts (*First Session and Ladies Activity*)

Say “Thank you for your service!” to all of our veterans! Be a part of this important service project! We will also make a craft or two, play some games and do something nice for some people who need our help. Snack and drinks will be provided.

3. Saturday Morning – Game On! (*during Second Session*)

We will divide up by age groups for some exciting games. We will also have time for craft or two and maybe even a surprise! We will also have time to finish our service projects. Lunch and drink will be provided.

PIZZA!

4. Saturday Evening –Pizza Party (*during the Banquet*)

Join us for a feast fit for the Roman Emperor Himself! We will share a delicious pizza dinner before we wrap up some of our earlier craft and continue the fun and games!

All youth must be registered with the Convention to attend any Youth Activities.
